
Profile

- Hi there! My name is S Abhishek, and I'd love to take a couple of minutes to tell you about myself.
- Currently, I'm pursuing my junior year at Amrita Vishwa Vidyapeetham.
- I'll be getting my Bachelor of Computer Science and Engineering degree, with a major in Computer Science, in Summer 2023.
- My coursework has provided me with a strong foundation in programming languages like C C++ Java Python and client-side languages like HTML CSS JavaScript.
- In the last two years, I've been able to augment my education with hands-on experience, attained through my project.
- I am also working as a Digital Forensics Analyst in TeamBios where we primarily participate in Capture The Flag (CTF) competitions.
- Coming to my technical skills, I have a piece of good knowledge in steganography and cyber forensics and have experience using cyber security tools like Autopsy, Wireshark, FTK Imager, etc.
